## New Cape Cod Technical Support Company Started

Ms. June Bertucci of West Hyannisport is announcing the opening of **Small Office Computer Support of Cape Cod**. The focus of her new company **SOCS of Cape Cod** is to help small businesses and home consumer make the most use of their existing computer hard and software.

June (with 20 years computer experience) offers **affordable** on-site technical support and evaluation consultations to optimize existing equipment. She works with many self-employed and small business owners to convert their unorganized paper-based system to efficient PC programs, enabling greater efficiency and higher profits.

**For more information contact , SOCS of Cape Cod by calling 508-771-7940 or via email at [info@socsofcapecod.com](mailto:info@socsofcapecod.com) ###**
